# Abacus Addition

Name \_\_\_\_\_

Score \_\_\_\_\_

## Answer key

AS:V:10

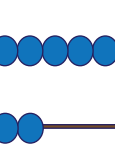

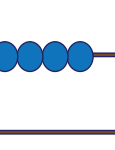

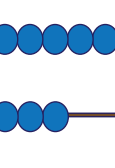

Count the beads on the abacus and find the sum.

1)  +  = 

**16** + **12** = **28**

2)  +  = 

**10** + **6** = **16**

3)  +  = 

**7** + **4** = **11**

4)  +  = 

**18** + **14** = **32**

5)  +  = 

**8** + **13** = **21**
