

# Time: 24-hour Clock

Name \_\_\_\_\_

Date \_\_\_\_\_

TMS:03

The 24-hour clock time is used by Railways and the Airlines. Some offices also work by the 24-hour clock.

The 24-hour clock time does not use a.m. and p.m. Time begins from midnight which is indicated as 0000 hours. The first 2 digits stand for hours and the next 2 digits for minutes.

3 a.m is written as **0300 hours**.

3 p.m is written as **1500 hours**. ( $12 + 3 = 15$  hours)

3:30 p.m is written as **1530 hours**.
